

Lochside Community Energy Project Keep Warm and Reduce your Energy Costs

FREE Loft & Cavity Wall Insulation for Every Household (worth £800)

Thanks to funding from Scottish Power Energy People Trust and South Ayrshire Council, every household in Lochside is eligible for **FREE** loft and cavity wall insulation, where appropriate.

Lochside residents will receive a letter explaining the project in detail. Doorstep surveys will take place between May and June 2008.

There will be a project launch event in the Lochside People and Place Initiative project base at 32 Wills Road on Saturday 26th April 2008 from 10.00am to 12.00 noon.
